## FUNKY, SLEEK AND ELEGANT

Just a few yards from the open Arabian Gulf waters in a private marina; DiVAZ is the latest addition to the award-winning Jebel Ali Golf Resort & Spa's atmospheric venues. Full length glass windows offer views of the marina's boats and yachts from a cosmopolitan indoor venue, with an option to cruise past the resort's beachfront.

Experience both the cool air-conditioned interior and balmy breeziness of the elevated rooftop deck. The fully licensed dynamic venue lets you navigate your way through a choice of varied culinary creations and unlimited choices. Push the boat out and cruise into your own chosen vibe when booking for a private event to accommodate up to 200 guests.

## UNIQUE EVENTS

Professional event planners will assist you with the organisation and planning of your event to match your requirements and budget. This vibrant venue is best for tailor-made events, such as cocktail receptions, product launches, press conferences, birthdays, engagement parties and anniversary celebrations. Flexible seating, décor, themed arrangements and cruising timings are just a few of what could be offered on this lovely floating venue.

The Horizon Lounge on the upper deck of the vessel can also be hired for smaller events or host a cocktail reception before lunch or dinner at the glass-enclosed Infinity Lounge.

## WEDDINGS TO REMEMBER

Add unique effects such as live bands, a DJ, ice carvings, chocolate fountains and belly dancing just to make your wedding one to remember. Select your menus to match the wedding's theme and make this day as exquisite as the venue. For an everlasting memory, host your guests at an intimate wedding reception on the lively DiVAZ.

Charter a cruise at anytime of the day for lunch, sunset or dinner with your choice of a romantic or funky wedding. Celebrate these lovely moments with up to 80 guests.
