Location: The 9-hole par 36 Resort Course is situated within the idyllic grounds of the Jebel Ali Golf Resort & Spa. The clubhouse based at Club Joumana overlooks the Marina and first tee.

The Course: The Resort Course is both scenically stunning and a fair and exciting challenge to any level of player. Each hole is uniquely landscaped with exotic trees, shrubs, wooden gazebos and panoramic views of the Arabian Gulf. Peacocks, guinea fowl and partridges freely roam the course. The availability of four tees creates a different aspect and playability of each hole and the opportunity to play an 18-hole round. Arranged on different elevations, the course features a large central saltwater lake that comes into play on five holes. Bermuda grass greens and fairways are well manicured and built to championship standard.

Practice Facilities: Every aspect of the game can be practised at the Old Stables driving range. All the areas are floodlit and arranged on Bermuda grass. Driving range with bunkers and target greens. Private range for golf instruction. 27-hole putting green. Indoor air-conditioned swing room featuring the latest GASP Video Swing Analysis System.

Golf Academy Instruction: Lessons are available from dedicated, experienced PGA qualified professionals. A comprehensive range of instructional programmes for the beginner, intermediate or advanced player may be taken individually or in groups.
