

HATTA FORT HOTEL

*Your Exclusive Mountain Retreat*

*Festivities  
in the mountains*

They may not be covered with snow, but the Hajar Mountains at Hatta Fort Hotel still make for a very special festive setting. Enjoy a special festive meal in Jeema restaurant to celebrate either Christmas Eve or Christmas Day (lunch or dinner) for just **AED 250\*** per person and **half price for children** under 12 years. On Christmas Eve, there will be popular carols sung by the Hatta Choir followed by live music from the hotel's resident duo, in addition to games and entertainment for children. Youngsters will be entertained throughout Christmas day by a magician who will do table tricks and offer plenty of games, competitions, sand painting, puzzles, storytelling, music, dominos, a treasure hunt and dance sessions. The grass lawn will be home to a Hatta festive favourite: the Bouncing Hatta Castle.

If you choose an overnight Christmas package, you can look forward to either the Christmas Eve or Christmas Day package, available for **AED 2,210\*** per couple per night. The festive packages include a welcome cocktail, bottle of house beverage and an overnight stay on either 24th December (with Christmas Eve dinner and Christmas Day breakfast) or 25th December (with Christmas lunch/dinner and Boxing Day breakfast). Alternatively combine both packages and enjoy a long weekend from 24th-26th December for **AED 4,050\*** per couple.

Early bird offer – 10% discount on bookings made before **25th November 2011**.
